If you are looking for an ideal space for your company, then this property, house, villa with 8 rooms in the area of 280sqm usable that we present for rent in the Floreasca area is definitely the right choice.

The house-type building, villa consisting of Semi-Basement + Ground Floor (high) + 1 Floor + Attic was built in 2000 on a land area of 200sqm (10ml opening to the street). The partitioning is suitable for any type of destination as the property benefits from both open spaces and individual partitions. The 2 ways of accessing the building are again undeniable pluses every time we talk about authorizing a workspace, office.

From a functional point of view, the semi-basement area is allocated to the garage (2 small cars or one large one) and to the technical spaces (technical room) or storage / sports space; this area also benefits from a toilet). The high ground floor features an open space, an individual office, an open kitchen (furnished and equipped), a bathroom and 2 small storage spaces. The own courtyard positioned behind the building provides privacy.

On the first floor we have 3 bedrooms, one of them with its own bathroom and an upstairs bathroom, while in the attic we are greeted by an open space, an individual office, a bathroom and a balcony. The rooms are high and bright, the colors chosen are complementary: the black of the wrought iron, the gold of
